July, 2007

Officers present were Steve Barnes and Butch Burnett

Unfortunately Fred Foster and Don Kilgore were unable to attend the July 14th meeting. Beau Hydrick served as "temporary secretary."

J. B. Parker suggested the club buy Jan Rehler's lathe to use for the club's demonstrations. A motion was made by Gilbert Vega to purchase the lathe owned by Jan Rehler for \$300.00. The motion passed.

Ollie Hensler presented information on our web site and discussion ensued. Members were impressed with the new look and additions to the site.

Steve Barnes presented information on various woodturning symposiums. Gary Bleasdel was our demonstrator. He explained about vacuum pumps by dismantling his to show how they work. He presented a very competent and detailed demonstration of the use of vacuum pumps to hold bowls to turn off the bottoms. he also explained where to purchase all the needed parts and compressors.

August 11, 2007

The next meeting will be at the Community Center at 11425 Leopard Street at 10:00 a.m.

Paul Judkins will demonstrate on bowl turning.
